August 2021

Welcome to another exciting year for the Arkansas Symphony Orchestra Youth Ensembles. Whether in Prelude, Academy or Youth Orchestra, all of the students should be ready to make great new friends, and have unforgettable memories to share at this time next year. Along the way, each group will make music at the highest level, led by our excellent staff of conductors including Tom McDonald, Gabriel Bruce and our ASO Concertmasters Drew Irvin and Kiril Laskarov.

Many of the top members of the ASYO, some of whom will be pursuing a career in music; have played in three or four of the ASO Youth Ensembles. There are a number of alums of the ASOYE who now, a number of years later play in the Arkansas Symphony Orchestra. One of the great plus students in our program have is that they can take advantage of all the experience around them and easily stay informed, attend performances of the older groups, and the Arkansas Symphony itself.

One of the highlights will be the May Side-By-Side Concert, where all 3 ASOYE orchestras will play on one program. I look forward to seeing the members of all three orchestras, their families, and the entire Arkansas Symphony Orchestra either on stage or in the audience!

Let's get ready to make beautiful music!

Geoffrey Robson

Artistic Director, Arkansas Symphony

A S O Y E

As a member of the ASOYE (Arkansas Symphony Orchestra Youth Ensembles) you will have numerous opportunities to develop your talents in an atmosphere of musical excellence. We hope you will find it to be a most rewarding and enjoyable experience musically, socially, emotionally and intellectually. Like professional musicians, you will be expected to be present and on time for all rehearsals, dress rehearsals, and performances. The commitment is a major one, but the benefits can be enormous. We are sure you will find the investment of your time and talent very worthwhile.

Participation in the ASOYE Program is for students ages 8-20 who are attending school. Please note that the upper age limit for Youth Orchestra participation is now 20 years of age, which means we will accept applications from college woodwind, brass and percussion players.

Parents and students: Please read the material in this handbook carefully (even if you are an ASOYE veteran). Keep it handy and accessible. You will find it a useful resource throughout the year. Feel free to call the ASOYE offices at (501) 666-1761, ext. 116 for clarification and elaboration of any of the policies listed in this handbook.

R E G I S T R A T I O N

It is imperative that each student is registered by no later than **July 30th** of each year. An application may be completed online. It will automatically be forwarded to Barbara Burroughs at the ASO offices. No need to mail in an application.

C O M M U N I C A T I O N

It is very important that the ASOYE office and the Attendance Moms for each ensemble have current, up-to-date information on each student through the online registration database. Any deviation from what is printed in the Handbook is communicated directly by e-mail. Rehearsal schedules are posted online and updated as needed. **If you are not**

receiving frequent e-mails from your Attendance Mom, then something is wrong. Please notify her of any changes or problems with your e-mail.

You should have your instrument and all proper accessories including mutes, rockstops, extra strings, reeds, percussion mallets and a pencil with an eraser, as well as your music in the proper folder. Do not rely on your stand partner for music.

- Bring your music, instrument, accessories, and pencil.
- Be early!
- Be attentive! If your conductor is speaking, you should not be.
- Turn off your cell phone.
- Sit with feet flat on floor.

- No hats shall be worn during rehearsals.
- No chewing gum.

- Breaks are scheduled for getting water, using facilities, etc. Do not leave your seat during rehearsal unless an emergency.
- Parents, pick up your children promptly at the end of rehearsal.

Consequences for repeatedly being late or being absent, or displaying inappropriate etiquette, may be one or more of the following: 1) Re-seating within the section 2) Loss of solo opportunities 3) Restriction from participating in master classes or the ensemble concerts 4) Removal from the orchestra.

ATTENDANCE POLICY

Attendance at all rehearsals, dress rehearsals and concerts is REQUIRED. Any extenuating circumstances that affect attendance should be discussed in a timely manner with your Music Director and/or Attendance Mom.

All participating students must follow the ASOYE rehearsal schedule regardless of individual school schedules, such as school vacations and holidays. Please refer to our ASOYE schedules before making travel or vacation plans and/or work schedule for older students. In most cases, special considerations can be made with employers and other school ensembles. You are responsible to notify your Attendance Mom of any conflicts that affect your attendance.

Maximum allowable absences for each orchestra, per concert cycle are:

Attendance for Prelude Orchestra

Students in the Prelude Orchestra will be allowed a maximum of 3 absences the first semester (prior to Mid-Winter Concert) and 2 absences prior to the spring concert in May. Those students missing more than the allowed maximum will not be allowed to play the concert for that semester. Absences due to school orchestra competition or state competition are excused.

Attendance for Academy Orchestra

Academy Orchestra string students will be allowed a maximum of 3 absences for the first semester (prior to the Mid-Winter Concert) and a maximum of 3 absences prior to the spring concert in May. Woodwinds, Brass and Percussion players will be allowed a maximum of 2 absences for the first semester and 2 absences the second semester. Those students missing more than the allowed maximum will not be allowed to play the concert for that semester.

Attendance for Youth Orchestra

Students will be allowed five (5) absences for the 2021-2022 season. All concerts are required and are not included in this attendance policy. Missing a required event may result in re-seating, suspension or removal from the ASYO for the remainder of 2021-2022 season at the discretion of the conductor and the ASOYE administrative staff.

Please notify the ASYO Attendance Mom by e-mail at asyoyouth@gmail.com as soon as an unavoidable absence becomes apparent.

INCLEMENT WEATHER POLICY

SCHOOL MUSIC PROGRAM PARTICIPATION

All ASOYE members attending a junior or senior high school are required to participate in their school's instrumental music program.

It is critical that Youth Orchestra members participate in their school Band and Orchestra Programs. Our student participation in these school ensembles strengthens the school's music program, and as a result strengthens music programs district and statewide. Part of the ASO's mission is to promote music education throughout Arkansas. Critical to this effort is our students' participation in those programs that DO exist in order to perpetuate their existence and make them stronger.

Be advised that all ASOYE attendance policies apply regardless of extra-curricular involvement or commitment to a school music program. Each ASOYE member is solely responsible for managing his or her schedule and negotiating terms of involvement with other ensembles.

CONCERT ETIQUETTE – ALL ASOYE CONCERTS

ALL members of the Arkansas Symphony Orchestra Youth Ensembles – Prelude, Academy and Youth – will be **REQUIRED** to stay for the **ENTIRE** performance of any concert of the combined groups. Each group will be designated a place in the hall, where the conductor and their fellow students may sit together for the performances.

AUDITIONS

All audition requirements, including application and \$20 audition fee, for each ensemble, are outlined on the ASO Youth Ensembles portion of the ASO website and under the Youth Ensembles Facebook page. Once a student has auditioned, he or she may register for the assigned group on the registration link on the Youth Ensembles web page.

Auditions are held twice yearly in January and May. January auditions are for those strings for the Prelude, Academy or Youth Orchestras, and for woodwind, brass and percussion students wishing to enter the Academy and Youth Orchestras. To ensure the continuity of the program within each group, students are not allowed to move from one orchestra to another mid-year. **Woodwinds and Brass members will be required to re-audition each year to remain in the group.**

CHAIR AUDITIONS

Each orchestra has their own process for doing chair auditions within each section. It is up to the conductor of each orchestra to determine if, when and how he will conduct chair auditions within his group.

YOUTH ORCHESTRA CHAIR AUDITIONS ONLY

Youth Orchestra (most advanced group) seating process is outlined below:

Seating within the ASYO is determined by several factors. In September, each STRING PLAYER will take a chair audition. This is an opportunity for students to demonstrate how well they are capable of preparing a few short excerpts of orchestral music. Chair audition excerpts will be made available at the annual retreat; they are excerpts from music we will be performing.

Factors that are considered in determining ALL seating (woodwinds, brass and strings) include:

- Musical needs of the entire ensemble (what will make us sound best)

- Physical requirements of each piece performed
- Experience as a player
- Consistency of performance at rehearsals and concerts
- Equitable distribution of opportunities
- Seniority
- Attendance
- Leadership skills
- Auditions
- Consistent level of preparedness (last but certainly not least)

Principal chairs are the 1st chair within each section. These positions will rotate throughout the year. If a wind section does not rotate for a year, it is likely that members are building experience through consistency. All students should expect and be willing to sit in different seats over the course of the year. String seating generally rotates on a per concert basis, whereas wind seating may alternate on a single program. Wind part assignments generally are made for each piece of music.

Concertmaster position will also likely rotate during the year. A violinist must take the concertmaster audition, however, to be considered for the concertmaster position. This will occur on the same day as chair auditions, but are by sign-up. There will be additional audition excerpts. Members of the Violin 2 section may take the concertmaster audition by preparing the added concertmaster excerpts and the regular violin 2 excerpts. All students who sign up for a concertmaster audition must also take a regular chair audition the same day.

ASYOE Safety Covid Protocols for In-person Events

We are monitoring the current state of affairs very closely, with regard to numbers of cases, levels of vaccination, updated guidance, local community spread, prevalence of new variants, and actions of other orchestras around the country.

The ASO is in contact with the health department regularly, and has maintained a policy of flexibility throughout this entire pandemic. We have safety at the absolute forefront of all planning, and do not take lightly the in-person plans we are offering. If there is a local resurgence of the virus, in-person orchestra activities will very likely be postponed once again.

The following are the precautionary measures that we will be implementing during the in-person rehearsals and concerts.

- There will be a sign-in table where we will do temperature checks (if not completed prior to arrival) and screening questions, as well as a sanitizing station. eCheck-in will be offered and is recommended.
- Masks are required 100% of the time, covering mouth and nose snugly. Social distancing will be enforced.
- Wind players may only remove their masks to play once seated in their chair, and appropriately distanced.
- Brass players must empty their spit valves onto a 'puppy pad' or towel. Please bring your own. Please let us know at check in if you do not have one, and we will provide one.
- Seating will be distanced according to guidelines used by the Little Rock School District and PCSSD, which is 3 feet for strings, percussion and winds.
- Rest rooms will only be available for emergencies.
- Instrument cases are kept by one's chair, not in communal locations
- Students are encouraged to bring their own water.
- The Arkansas Symphony has installed a **High Intensity UVC System** in all heating and air conditioners in Byrne Hall. The bulbs are designed to disrupt the DNA of viruses and germs in a fast moving air stream.

Thank you for your consideration and compliance.
