THE ORCHESTRA

The UA Little Rock Community Orchestra, now in its twentieth year, was formed to provide a once-a-week musical experience. The orchestra meets for two hours on Thursday evenings to play a wide range of music written for the symphonic orchestra. The focus of the ensemble is the process of making music together. It is very possible that there may be more players on stage than are listed in the program since we have many friends from the Arkansas Symphony Orchestra who sit in with us from time to time.

You can find out more about the UALR Music Department by checking our website at <http://ualr.edu/music/> You may also contact Dr. Victor Ellsworth for more information about membership in the ensemble at evellsworth@ualr.edu
